CASE NUMBER 21- 54419-pmb

Honorable Judge Paul Baisier
1340 United States Courthouse
75 Ted Turner Dr SW,
Atlanta, GA 30303

Filed in U.S. Bankruptcy Court
Atlanta, Georgia

APR - 6 2022

M. Regina Thomas, Clerk

By: Deputy Clerk

Dear Judge Paul Baisier,

My name is Felissa Grissett, I served in the United States Army and is the mother of 2 beautiful children. I am writing to request a hearing regarding my bankruptcy. I'm personally writing the honorable Judge because I feel that my attorney isn't working on my behalf. Nor was my previous attorney. There are a lot of issues that I must be addressed with the courts. I also need to resolve and make the Courts aware that my life is in danger for many reasons including because I within my rights filed bankruptcy. I'd also like to discuss my previous bankruptcy and the trustee of whom I didn't authorize to service this particular case. Nor did I authorize a change of lender. They are trying to get out of liability of ruining my home in a botched attempted to kill me. Henry is aware and is a part of a conspiracy to commit murder of my children and myself. I've filed a police on more than one occasion. They refuse to inform my neighbor that my house is a safety hazard.

Geico drafted fraudulent documents while I was living in hotels making Safeco as my insurance company. I've attached images of my home that has a bomb in it. I also have videos as evidence as well that I'd like to present to the courts. I have solid proof of a grading scandal in HENRY, FORSYTH, MUSCOGEE AND COBB Counties. Also Houston is also trying to cover-up the molestation of 3 of my nieces. Which is the very reason I had to flee to South Carolina. Please ensure my address is updated. I've requested my attorney to file an address update more than once. Please not that Safeco sent my \$1300 check of which I refuse to cash.

Please note that I've missed only 1 payment since my case was finalized. However my monthly statement reflects something different. This is because I needed the money to pay for a hotels and to pay the guardians of my children because living in my home was UNSAFE. They doctored up many documents as well as broke into my home stealing documents more once. They terrorized my children and myself constantly for over a year. Please allow me the opportunity to speak with you regarding this matter.

Excuse and grammatical error as I am dyslexic. However I have a GT score of 112. Note the address change as well.

Sincerely yours

Felissa Grissett
